Engine	Twin Yamaha F300 outboards

Performance, versatility, and comfort are central to the design of the Cutwater C-32 Command Bridge. The advanced double-stepped, deep-V hull combines speed, efficiency and superior stability. Our Laminar Flow Interrupters allow for smooth, positive cornering. Roll the throttles forward and you'll feel the powerful twin, counter-rotating 300 HP Yamaha outboards propel the C-32 CB to remarkable speeds. Docking is easier than ever with Helm Master joystick steering.

Upon stepping into the comfortable interior, you'll feel fully at home. With wood accents throughout, a fully furnished galley, large dinette, private head and shower, and a luxurious forward stateroom featuring an island bed with recessed LED lighting, the C-32 CB provides a resort-like experience. The large mid-ship stateroom and convertible dinette comfortably sleep up to four additional guests.

You'll find extensive entertaining space on deck. The cockpit hosts expanding seating, rear-facing lounge, an electric BBQ grill, sink and an additional refrigerator. Moving to the foredeck you'll love the hide-away lounge seating to relax and take in the sunset.

Equipped with the latest in marine electronics, the helm is where you're fully in control. Dual Garmin 8612xsv chartplotters with sonar, xHD radar, VHF, electronic throttles, and joystick thruster controls, all work in unison to get you where you want to go, quickly and safely. Step up to the Command Bridge for the same electronic enhanced navigation experience, plus a towering 360-degree view.

Perhaps the most exciting new feature of the C-32 CB is the first of its kind, Clear-Path swim platform boasting thirty-two square feet of level, unobstructed, nonskid decking without any outboard well, rigging tubes or hoses to trip over. Heavy-duty stainless-steel handrails provide stability for boarding, fishing, water-sports, and safe dinghy access. To sum it all up, the C-32 CB is a robust, do it all outboard cruiser that gives you the freedom to get out there and cruise, fish, explore and more!

## MODEL FEATURES

### ADVANCED CUTWATER HULL

The C-32 CB hull features an innovative combination of a steep, deep-V hull for a smooth ride, a keel pad for planing stability, and reversed chines for quick planing and reduced cornering roll. The double-stepped hull increases efficiency and performance and reduces fuel consumption while the laminar flow interrupters provide smooth, positive cornering performance.

### FULL GALLEY

The C-32 CB is well equipped with a full galley for extended cruising. Meal prep is a fun and easy with a refrigerator/freezer, large stainless sink with hot/cold water, a wine/water cooler and a stainless propane stove and oven combination or electric cooktop with convection microwave oven.

### COMMAND BRIDGE

Safely accessed by staircase, the command bridge features seating for four as well as a dining table, providing you with an entirely new perspective when entertaining or navigating. The command bridge helm station features a Garmin 8612 chartplotter, bow/stern thruster controls, autopilot, VHF and Yamaha engine controls.

### CLEAR-PATH SWIM PLATFORM

Our Clear-Path Swim Platform is a revolution in safety and usability aft of the transom, boasting thirty-two square feet of unobstructed, usable deck space with no outboard wells or rigging. A folding boarding ladder is built-in for easy access when swimming and heavy-duty grab rails enhance safety when boarding from dock or tender.

### DUAL GARMIN CHARTPLOTTERS & XHD RADAR

Navigation is fun and accurate with dual Garmin touchscreen chartplotters (8612xsv & 8612), equipped with GPS, sonar, and xHD radar. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

### TRAILERABLE 10FT BEAM

The 10' beam of the C-32 CB allows for a spacious, functional interior while maintaining the ability to trailer your boat to remote and inland destinations. Trailering also provides more options for storing your boat when not in use.
