Bridge clearance (mast up)	10'3" 3.12 m
Fuel capacity116 US gal 439.1 L
Water capacity	22 US gal 83.3 L
Waste capacity	11 US gal 41.6 L
Weight (dry w/ engine)	6,200 lbs 2,812 kg
Engine	Yamaha F250 outboard

THE EVOLUTION OF A BELOVED CUTWATER DESIGN

The new C-248 Coupe from Cutwater Boats presents a beautiful, contemporary twist on a classic Downeast design. This versatile outboard-powered cruiser offers an abundance of features designed to make cruising, fishing, and entertaining fun and stress-free.

The C-248 C offers a 360-degree view from the helm as well as an innovative aft bulkhead window that opens, allowing the dinette seat to transform into a rear-facing cockpit seat. Onboard the C-248 C you'll enjoy all the comforts of home with a private stateroom, head, and galley featuring a sink with hot and cold water, stove top, microwave, and refrigerator/freezer.

The forward stateroom features wrap around seating and a high/low table that drops to complete the forward berth for a comfortable night's sleep. The main salon has a dinette for four that transforms into an additional berth for two. Below the dinette there is a mid-berth perfect for kids or additional storage.

Powered by a Yamaha 250 HP outboard, the C-248 C is fast and efficient. The double-stepped hull increases efficiency and performance, reduces fuel consumption, and contributes to her quick time to plane. The C-248 C hull also incorporates our Laminar Flow Interrupter technology for smooth, positive cornering.

The C-248 C comes comfortably equipped to cruise and play. Standard features include a navigation package starring the Garmin 943xsv GPS chartplotter with sonar, color Yamaha engine display, VHF radio, Bluetooth-enabled Fusion stereo system, LED lighting, marine head with holding tank, sport racks, built-in rod holders, fish box, integrated transom cooler, concealed ski tow, our built-in trailer lights, foldaway cockpit seating, cockpit bolster cushions, and much more.

MODEL FEATURES

ADVANCED CUTWATER HULL

The C-248 C hull features an innovative combination of a steep, deep-V hull for a smooth ride, a keel pad for planing stability, and reversed chines for quick planing and reduced cornering roll. The double-stepped hull increases efficiency and performance and reduces fuel consumption while the laminar flow interrupters provide smooth, positive cornering performance.

GARMIN 943XSV CHARTPLOTTER

Navigation is fun and accurate with the Garmin 943xsv Chartplotter with sonar. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and much more.

MULTI-USE SEATING

The aft bulkhead window opens, and the dinette seat transforms to create a cockpit facing seat. A fold-down transom seat offers seating for two more.

POP-UP SKI PYLON

Who says a cruising boat can't do it all. With a pop-up ski pylon, you can tow a tube, skier or wakeboarder at destinations that many only dream of.

FULL GALLEY

A refrigerator & freezer, alcohol electric stove top, hot & cold galley sink, cutting board, and ample counter space & cabinetry makes for an efficient and fun use of space to prepare your meals.

RELIABLE YAMAHA OUTBOARD POWER

The C-248 C is powered by a Yamaha F250, which delivers outstanding performance and efficiency. A multifunction LCD displays key information such as RPMs and fuel flow. Shift and throttle controls are electronic

STANDARD FEATURES

PERFORMANCE

250 HP Yamaha F250 outboard

Double stepped hull

Electric trim tabs

Laminar flow interrupters

Bow thruster

Trailerable - 8' 6" beam

ACCOMMODATIONS & INTERIOR COMFORT

Cabin drink holders
